

# “MEAT IS MURDER”

Each year, billions of animals are mutilated without painkillers, crammed into filthy, tiny cages, trucked hundreds of miles through all weather extremes, and hung upside-down while their throats are slit, often while fully conscious. You have the power to stop these abuses. Please, go vegetarian!

**For free information on helping animals, e-mail [PETA2@peta.org](mailto:PETA2@peta.org) or call 1-888-VEG-FOOD and visit [peta2.com](http://peta2.com).**
